

# CHANGING YOUR OIL ???

A FEW THOUGHTS FROM YOUR CLEAN MARINE COMMITTEE

START WITH AN ABSORBENT PAD

TAKE A MOMENT TO CHECK FOR ANY OIL LEAKS,

THERE MIGHT BE A QUICK FIX

RECYCLE THE OIL AND FILTER WHEN DONE

WIPE UP ANY SPILLS BEFORE THEY REACH THE BILGE

NRE TAKES BOTH AT 2477 KENWORTH ROAD

DOUBLE BAG THAT PAD BEFORE PUTTING IT IN THE  
GARBAGE

REDUCE, REUSE, RECYCLE (IN THAT ORDER!)
